Dear Sir:

Can nothing be  
done to facilitate the workings of the  
Mint at Phila. Pa. My complaint  
is this. That you cannot get a return  
for deposits made, to be remitted in  
Nickels & Cents, under six weeks to two  
months & sometimes to ten weeks.

I sent a deposit of \$100 - for Nickels &  
Cents on Sept. 1, & have as yet received  
nothing but acknowledgement of the sum &  
a promise to fill the order in several weeks.

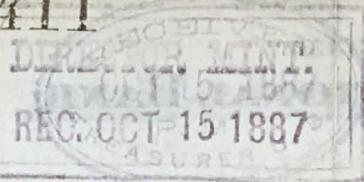

Please examine into this & see if Returns  
could not possibly be made in a shorter time.  
This annoyance has occurred time after time, with me,  
in the last two (2) years. Perhaps more clerks are  
needed, if so don't you think some of the burdensome sur-  
plus might be most profitably employed, & to the public  
good in an increase of clerks in this must be kind establishment.  
If you need any more data, please let me know  
& I will furnish it.

Yours truly,

J. T. Reeves, Cashier
